

Dear Student,

Please read the following if you want to obtain On-Campus Housing for Spring 2021, Summer 2021, and/or Fall-Winter 2021-22.

Housing Agreements are not yet available for the 19 and Over Communities for Spring 2021, Summer 2021, and Fall-Winter 2021-22. As such, a waiting list has been implemented for each agreement period for you to indicate your desire to continue living in On-Campus Housing. The waiting list will be available beginning at **2:30 PM on January 25, 2021**.

The waiting list will be used to collect contact information and bedspace preferences of students who would like to live in the 19 and Over communities at Helaman Halls, Heritage Halls, or Wyview Park. Please note the following:

1. You will need to submit a separate waiting list request for the term(s) and/or semesters for which you would like a bedspace (Spring 2021, Summer 2021, Fall-Winter 2021-22).
2. For the greatest possibility of obtaining a specific bedspace, we encourage you to submit a separate waiting list request for the term(s) and/or semesters for which you would like a bedspace (Spring 2021, Summer 2021, Fall-Winter 2021-22) by no later than **February 1, 2021**. Specific waiting list requests may not be able to be met if submitted after February 1, 2021.
3. The following are the buildings and floors anticipated to be used for the 19 and Over communities:

4. You may request a specific bedspace or you may leave that option blank and you will be offered a random bedspace.
  5. We anticipate you will receive a waiting list offer on February 17, 2021. You may accept the offered bedspace and complete the agreement or decline the offered bedspace and select any other available bedspace.
  6. Once you obtain a bedspace, you will be able to change bedspaces and submit bedspace swap requests.
  7. If you have a group that would like to live together, all those in the group need to first add their names to the waiting list. Once each has done so, each group member should send a message to BYU Campus Accommodations, through the account tab on [housing.byu.edu](https://housing.byu.edu), requesting that your group be offered an apartment/room together. Make sure to include the names **and** Net IDs of all members of your group in the message.
  8. It is not guaranteed that your request will be met; however, all attempts will be made to meet your request as best as possible.

We look forward to your return to BYU and encourage you to consider living on campus.

Sincerely,

BYU Campus Accommodations
